**Bondhus Adds A Full Line of Loop T-handles
To Its' Product Offering**

Bondhus Corporation has added loop T-handles and cushion grip loop T-handles to its' already broad line of high quality T-handles. Bondhus' world class lineup of T-handles include Ballpoint, straight hex, TORX®, and ProHold® tip styles which are available in several handle styles. Bondhus offers the strongest and broadest line of T-handles in the world.

All Bondhus T-handles are made from Bondhus' exclusive Protanium® steel, which makes them up to 20% stronger than competitors' tools. All Bondhus T-handles carry a lifetime warranty and feature Bondhus' proprietary ProGuard™ finish, which offers five times more corrosion protection when compared to competitor finishes.

During 2015, Bondhus Corporation celebrates 50 years of manufacturing and distributing innovative, high quality, time saving tools for use in industrial, electronics, automotive, hobby, and machine tool industries.

For more information on other innovative tools, visit our website at
