

## News from Brighton-Best International

- It gives BBI great pleasure to announce the promotion of Miguel Serrano as the new Quality Assurance Specialist located in our A2LA lab in Los Angeles.
- Julie Toves, Mill Sales Manager, was awarded the Edith Cameron Scholarship by Women in the Fastener Industry Association (WIFI).
- In conjunction with the California Legislature Assembly, City of Long Beach and Women in International Trade Los Angeles, Rosa E. Hearn was awarded the 2016 Innovative Importer of the year for her innovation of Rosa the Preferred Riveter and her contribution and educational initiative by supporting teachers and students in global trade and logistics.
- As of September 7, 2016, Brighton Best International (BBI) headquartered in Taiwan started being traded over-the-counter at the Taipei Exchange.
- A correction has been made with the new BBI mascot. “Preferred Pete,” the mascot, along with our current Rosa the Preferred Riveter, will be used to promote BBI’s new Preferred line.
- BBI Q.A. Lab in Santa Fe Springs, CA, has been approved for continued accreditation by the American Association for Laboratory Accreditation (A2LA) until 2018.
