

News from Brighton Best

As part of Emerald Expositions "Rising Star Program," The Young Fastener Professional Association has selected Michael Chen from BBI—Los Angeles as one of the 10 young professionals to attend this year's National Industrial Fastener & Mill Supply Expo in Las Vegas. Michael will be at the YFP booth #321 and attend the networking event on Tuesday Oct. 25th in room 402. Join us by congratulating Michael at the NIFSME show.

BBI Q.A. Lab in Santa Fe Springs, CA, has been approved for continued accreditation by the American Association for Laboratory Accreditation (A2LA) until 2018.

A new mascot for BBI was introduced this month: "Proferred Pete." The mascot, along with our current Rosa the Proferred Riveter, will be used to promote BBI's new Proferred line. For more information on Proferred, please contact your account manager for details.

Brighton Best International is pleased to announce the appointment of Chuck Halpin to the position of National Accounts Manager. Chuck will direct Brighton Best sales efforts with many of the buying groups we support on a national level, including AD, NetPlus, Evergreen, IBC and Incom. Chuck will also work with a focused group of national accounts to develop programs and sales.

Chuck has served BBI for more than 30 years as the Northeast Regional Manager. He has been instrumental in the development and certification of Brighton Best International's ISO 9002 Accreditation and the A2LA approval for our lab in Logan, NJ. Chuck may be reached at chalpin@brightonbest.com.

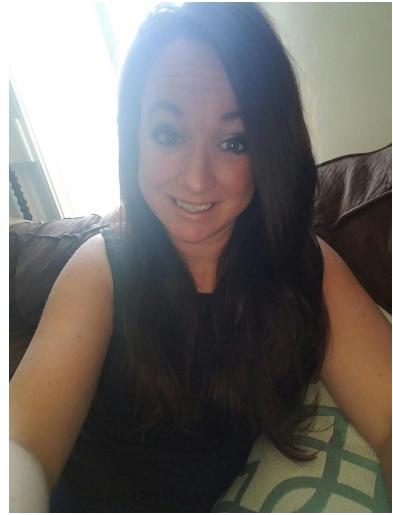

It gives BBI great pleasure to announce the promotion of Erika Lichniak to Assistant Warehouse Manager for the Cleveland facility. Erika has been employed with BBI for well over five years and has been helping out from a managerial perspective in our Cleveland Warehouse for more than a year. Erika may be reached at Cleveland@brightonbest.com.
