

HILCO INDUSTRIAL TO HOLD A PUBLIC AUCTION OF SOLAR SCREW ASSETS

Chicago, Illinois—October 20, 2015— Hilco Industrial (www.hilcoind.com) will hold an auction of the assets from the Solar Screw manufacturing facility and surplus assets from other metalworking facilities on December 3, 2015 in Addison, Illinois.

The former Solar Screw Corp. is now part of other Illinois facilities. Their services included the manufacturing of cold headed parts, custom metal forming services and secondary capabilities for the automotive, appliance, electrical, hardware and office furniture industries. Various types of screws, bolts, rivets and fasteners were manufactured at this facility.

The assets offered at auction include cold headers, bolt formers, slotters, threaders, uncoiler, wire drawers, and secondary fastener support equipment from manufacturers such as Sacma, Hartford, Chun Zu, Waterbury and others.

Assets may be viewed from 9 am to 4 pm local time on Wednesday, December 2, 2015, or earlier by appointment. Contact [Ed Cervac](mailto:ecervac@hilcoglobal.com) to schedule an appointment.

The auction will take place December 3, 2015 beginning at 10 am local time at 12 West Interstate Road, Addison, IL 60101. Bidding will be available onsite and online at www.hilcoind.com.
