

MacDermid Promotes Glen Breault

MacDermid announces the promotion of Glen Breault to the position of Global OEM Manager. Glen brings 20+ years of experience in the Automotive Industry, mostly with Tier 1 fastener and stamping companies working with GM, Ford and Chrysler. Glen has held manufacturing, engineering and sales roles all while establishing strong relationships throughout the automotive supply chain. Glen joined MacDermid in 2011 and is based out of their New Hudson, Michigan office.
