

In Memory of Matt Lapohn

On July 15, 2017, Matt Lapohn, Sr., an employee of Valley Fastener, was tragically killed in a motorcycle accident at the age of 29. As we near the 5-year anniversary of his death, we want to remember him and his young children by helping them with their educational expenses.

Matt was an employee in our Elyria, Ohio plant for several years and worked his way up to a seasoned and experienced setup operator. He was doing well both at work and in his personal life.

Matt's death was a tremendous blow to his family and co-workers.

He is survived by his two sons, Cole Robert Lapohn, age 12, and Matthew Phillip Michael Lapohn, Jr., age 9.

The Valley Fastener Group is putting together a fundraiser for his two boys to set up education funds for their future.
