

NCFA Distributor Social May 12 in Ohio

The much-anticipated **NCFA Distributor Social** is coming up on **Thursday, May 12** at the Crowne Plaza in Independence, OH. This will be our eighth year hosting this unique networking event. It is with the generous support of our valued suppliers that this event is possible. Thank you suppliers!

This year, prior to the Distributor Social, we are pleased to welcome Karalynn Sprouse, Executive Vice President of Emerald Expositions. As you may know, Emerald Expositions acquired the National Industrial Fastener & Mill Supply Expo from Mike McGuire and Jim Bannister. From 4 - 5pm, Karalynn will speak to the group about Emerald Expositions and their future plans for the Fastener Show and will also host a question and answer session. There is no cost to attend this informative discussion. Please just confirm your attendance by completing the attached registration form or registering online.

Attached you will find specific registrations forms for distributors and suppliers. Please be sure to complete the correct form and mail in with payment (if applicable) to the NCFA Office. If you would like to register online, there are also separate supplier and distributor registrations, in addition to the registration for the Emerald Expositions Meeting. As indicated above, the informative meeting from Emerald is free, but please pre-register so we can make sure there is enough seating. To register online please go to www.ncfaonline.com and then click on the "Events" Tab and then the appropriate registration. Both the supplier and distributor online registrations includes up to 5 attendees from your company. If you plan on sending more than 5, please utilize the registration links marked "additional supplier or additional distributor" attendees. There is also a beverage sponsor registration available online.

We have worked with the Crowne Plaza to get a limited number of rooms blocked off with a discounted rate of \$102. Please contact the hotel directly to book this rate, or click on this link: [North Coast Fasteners Association](#)

When we started this event 8 years ago, we never imagined that it would evolve into the largest networking event in our area. If you are in the fastener industry in any capacity, you should not miss this event! We hope to have your support to make this the biggest and best NCFA Distributor Social yet!

For additional details, please view the attached registration forms. If you have any questions or are not clear on what online registration form to use, please contact the NCFA Office.

Thank you for your support!
