

## NORTH EAST FASTENERS CORPORATION

AS9100 / ISO 9001

Northeast Fasteners Corporation (NEF) is very pleased to announce that Sarah Chisholm has joined NEF in the position of sales and account representative. With over 10 years' experience, she brings with her a deep and all-around fastener sales background. Sarah had managed several Fastenal locations while attaining the top sales growth in her district before being asked to join Wesco.

Sarah will assist NEF in inside as well as outside sales and will be overseeing the generation of new business as well as maintaining and growing the existing business.

NEF has also purchased 6 brand new heading machines in order to increase production as well as shortening their delivery lead times.

NEF manufactures to the commercial, military, aerospace and automotive fastener markets: Size range: (Inches) 00 to 10 and (Metric) M1.2 to M5, up to 2 Inches (or 50mm) in length. Specifications: IFI, ANSI, MS, NAS, NASM, AN DIN, JIS, JCIS, ISO, QSLM, DFAR, ROHS; and Specials. NEF is an ISO 9001:2008 + AS9100, QSLM Levels 2/3 certified supplier
