

## **NFDA Virtual Panel Discussion: Raw Material Challenges and Freight Issues**

Join us for our last educational virtual event of the year. Our panelists will share their insight, then we'll open it up to questions from the audience.

**When:** Thursday, November 11, 2:00 - 3:00 pm (Eastern)

**Where:** Zoom

Panelists to include:

- Chris Donnell, National Sales Director - Scanwell Logistics International
- Michael Selman, Sales Rep - Beta Steel, Beneke Wire, and Monarch Metals

This event is free to both members and non-members, but registration is required. Visit <https://www.nfda-fastener.org/> for more information.
