

NIFMSE Hall of Fame Seeks Nominations

NIFMSE is looking to recognize professionals who have made a significant and enduring contribution to industrial fastener industry on a national or global scale by inducting them into the NIFMSE Hall of Fame.

Individuals selected for induction will join past inductees, including inventors, business leaders, and education professionals as well as other outstanding professionals in the fastener industry.

The fastener industry is invited to submit nominations by **February 28**.

For criteria and to nominate a candidate for the NIFMSE Hall of Fame, follow this link:
