

Become an Exhibitor at the 2017 Pac-West/NFDA Joint Tabletop Show

When: March 16, 2017

Where: The Westin Long Beach
Long Beach, CA

The Tabletop Show will take place March 16, 2017, during the Pac-West/NFDA Joint Conference at the Westin Long Beach in Long Beach, CA.

We will offer complimentary advance registration (*opening December 1*) to all fastener distributors who want to attend just the Tabletop portion of the conference to increase your exposure to the Southern California market and to Pac-West/NFDA members. In 2015, more than 200 people participated in the Pac-West Tabletop Show, and we expect that number to grow with the addition of NFDA to this event.

We have several registration options open now for exhibitors, listed below. These are early registration rates and will increase approximately six weeks prior to the event. Registration for non-exhibitors will open December 1.

	Pac-West & NFDA Members	Non-Members
Tabletop Show and Full Conference	\$845 (1st person) \$595 (each additional person)	\$1,045 (1st person) \$795 (each additional person)
Thursday Tabletop Show Only (No Conference Attendance)	\$400 (1st person) \$50 (each additional person)	\$600 (1st person) \$75 (each additional person)

Each exhibitor is limited to one table only.

All exhibitors confirmed as of November 1 will be listed in the conference registration brochure.

Attendee email addresses will be made available to exhibitors prior to the meeting, upon request.

Exhibit space is not confirmed until the paperwork has been filed and fees have been paid. Use this form to reserve space:
