SUBJECT: Semblex Corporation Announces Re-Location of Corporate Offices and Manufacturing

August 21, 2015

(Elmhurst, Illinois)

Semblex Corporation, a leading manufacturer of fasteners and cold-headed components for the automotive, commercial, and distribution markets, has announced that the company has relocated its corporate offices and manufacturing. This move is part of a major expansion and manufacturing consolidation project. This project has been a significant investment by our parent company, JINHAP, and allows Semblex to better meet the growing demand from our top customers and key markets while remaining in Elmhurst where we have operated since our founding in 1968. There will be a ribbon cutting ceremony to celebrate this occasion on September 8, 2015 at 1:00 in the afternoon at 900 North Church Road in Elmhurst, Illinois.

Founded in 1968, Semblex has been owned by Jinhap Company, Ltd of Daejeong, South Korea since February of 2014. Jinhap is a world class supplier of fasteners, cold formed and machined special products, and brake hose fittings to the global automotive industry. Jinhap is a 100% family owned company that operates four manufacturing plants in South Korea and three plants in China. Additional information about Jinhap can be found at www.jinhap.com.

Semblex Corporation is an innovative, customer focused team that creates value through cold-formed product solutions for the world's leading manufacturers. Semblex is TS 16949, ISO 9002, ISO 14001, and A2LA certified. Additional information on Semblex and can be found at www.semblex.com.
