

## **PROSPECT FASTENER NOW DISTRIBUTES DAVIES MOLDING PRODUCTS**

September 28, 2015, Wauconda, IL – Prospect Fastener announced that it will now distribute Davies Molding Knobs and Handles – giving Davies’ customers access to their products in specific quantities and packages.

“It is our goal to get products to our customers how they want them and when they want them,” said Rich Pratt, Jr., V.P. Quality Assurance for Prospect Fastener. “We inventory Davies products so our customers don’t have to – and they have faster access.”

“We provide a transparent gateway to branded, American-made products,” said Ryan Pratt, V.P. Operations for Prospect Fastener. “Davies is another example of a great American manufacturer for whom we can distribute value. High quality manufacturers like KMC and Rotor Clip depend on us to deliver for them... and we do.”

Davies Molding was founded in 1933 in Chicago, IL. Today, Davies operates out of a 99,000 square foot facility and is the largest manufacturer of plastic knobs and handles in the world.

Located in Wauconda, IL, Prospect Fastener is a Master Distributor of Value. It was founded in 1982 by Marie and Rich Pratt, Sr., and has grown into a nationally known and respected distributor of retaining rings, clips, clamps, pins, assortment kits and more. Companies from Grainger to Fastenal count on Prospect Fastener to maintain inventory and distribute value.
