

Northern Safety & Industrial Hires Borrelli as New CFO

Northern Safety & Industrial, a member of the Würth Group, has hired Mike Borrelli as its new Chief Financial Officer. Borrelli will be responsible for the finance and facilities at Northern Safety & Industrial.

The company's new finance leader previously served as Chief Financial Officer of Flour City Bagel, Inc., d/b/a Bruegger's Bagels. Borrelli is an experienced CFO and CPA with more than 25 years of experience in financial accounting and administration, operations, insurance, reporting, treasury, acquisitions, and more.

"2016 is shaping up to be another high-growth year for Northern Safety. Mike's background and financial leadership is ideal for the next chapter in our company's success. He will play a key role in our acquisition strategy as we continue to build on our national platform," said Sal Long, CEO of Northern Safety. "Mike is a strong cultural fit, a team player and believes that hard work maximizes results. His experience will allow him to be a highly effective financial and operational executive for the Northern Safety team."

Borrelli offers a strong background in corporate finance and accounting at both private and public companies. His career began as CPA with Arthur Andersen & Co. before moving into the private sector. He has serviced companies such as Fisher Price Toys (Mattel), Occidental Chemical Corporation and Constellation Brands. Northern Safety and the Würth Group look forward to benefiting from Borrelli's extensive financial background.

Borrelli's CFO role at Northern Safety is effective November 23, 2015.

About Würth Industry of North America

The Würth Group is the world's market leader in its core business, the trade in assembly and fastening materials, with more than EUR 10,120 billion sales for 2014. It currently consists of 400 plus companies in more than 80 countries with over 66,000 employees on its payroll. The Würth Group is extremely proud to have the largest direct sales force on the globe with around 30,000 permanently employed sales representatives.

In the Group's core business, the Würth Line, the product range for craft and industry comprises more than 100,000 products: from screws, screw accessories and anchors over tools to chemical products and personal protective equipment. www.wurthindustry.com.
