

Young Fastener Professionals (YFP) Launches New Logo

YFP is proud to announce the launch of our new logo.

“It was time for a change, a fresh look, and updated representation that reflects the personality of our burgeoning YFP teams,” said Mallory Cravens Nichols, YFP vice president.

“Our desire was to show cohesion and a more unified front with NFDA as we march forward together to provide the best value for our members and continue to develop the next generation of leaders within our industry,” said Jake Glaser, YFP president.
