

Nominations Sought for Young Professional Award

There is still time to submit your nominee for the 2016 National Industrial Fastener & Mill Supply Expo Young Professional Award. Nominations are open until March 28, 2016. The award will honor a young professional under the age of 40 who made significant contributions to the betterment of the fastener industry and will not be based solely on personal achievements, tenure, or the financial success of their respective businesses.

Winner will receive a commemorative plaque, \$500 donation to the Fastener Industry Scholarship fund of their choice, and will be recognized at a special event during the Expo.

Nominate your Young Professional today! Nominee must be under the age of 40 to qualify. Visit <http://www.fastenershow.com/industrial-fastener-industry-young-fastener-professional-award/> to get started.

Nomination deadline is March 28, 2016. No exceptions. Nominations received after March 28 will be added to list of nominees for the following year.
