

Full House Expected for 2015 Fastener Expo: A Perfecta for Exhibitors and Visitors!

Overview

The scope of the upcoming 35th National Industrial Fastener & Mill Supply Expo continues to grow both vertically and horizontally as planners add new core products, services and more variety to reflect an ever-changing global marketplace.

The Expo will be held October 21-23, 2015, at the Sands Expo in Las Vegas, Nevada.

The Expo

A complete sellout of exhibit space is predicted.

“We have already sold 725 exhibit booths to 530 companies from throughout the U.S. and 11 other nations, including: Canada, China, Germany, India, Italy, Korea, Malaysia, Mexico, Spain, Taiwan and Turkey,” said Susan Hurley, the Expo’s general manager.

“Well over two-thirds of our 2014 exhibiting companies have renewed their space for this year, plus we have gained 48 new companies and continue receiving new exhibit space applications regularly,” Hurley said. “We are delighted with the continuing growth of the Machinery & Tooling World area as well as the addition of more mill supply companies offering products of interest to today’s multi-line distributors. Whether you are at the Expo to buy, sell, learn or network, it is the number-one place to be.”

A complete alphabetical listing of exhibiting companies can be found at www.fastenershow.com.

The Conference

There will be a full day conference program on Wednesday, October 21 featuring topics of vital, current interest. Valuable training and informative meetings will be offered by the Pacific-West Fastener Association, Fastener Training Institute, National Fastener Industry Financial Manager Network, Manufacturers’ Agents National Association, Women in the Fastener Industry, and Young Fastener Professionals group.

Continuing education and sharing of timely information has always been an important part of the Expo, according to Jim Bannister and Mike McGuire, general partners.

The complete conference schedule is available at www.fastenershow.com.

The Party

The ever-popular and heavily attended Wednesday evening Welcome Reception will be held in an exciting new poolside location at Treasure Island, where a festive environment will complement the tasty appetizers and open bar. As always, this fun-filled party is open to all Expo exhibitors and registered attendees wearing a 2015 badge. The reception is hosted by Expo management and is free of charge.

The Hall of Fame

There will be a private Fastener Expo “Hall of Fame” reception held Wednesday evening at Treasure Island’s Kahunaville tropical restaurant immediately prior to the Welcome Reception. The 2015 honorees are Virgil Lindstrom, chairman emeritus of Lindstrom, and Robert Shieh, chairman/CEO at Brighton-Best International and founder/CEO of the Ta Chen Group. Invitations to this prestigious event will be personally extended to family and friends by the honorees.

Expo Dates and Times

The “World’s Largest Fastener & Mill Supply Expo” will be open 9 a.m. – 4 p.m. on Thursday, October 22 and 9 a.m. – 1 p.m. on Friday, October 23. An estimated 5,000 people from more than 35 countries are expected to attend. They include: fastener distributors, importers, manufacturers, manufacturers’ reps, independent sales agents and industry media reps.

Hotel Accommodations

Special Expo hotel room rates are being offered at The Venetian, Treasure Island, and Harrah’s. Reservations can be made online at www.fastenershows.com/hotels. The deadline for reserving rooms at these special Expo rates is September 19.

Visitor Registration

Online registration for the Expo will be available in mid-June at www.fastenershows.com. “We encourage all Expo visitors to register online to save valuable time and money,” said Lesley Hoheisel, registration manager. “Online registration is easy, fast, secure and economical. There is no standing in line when you get to the Expo, and it is less expensive.”
